

## Arrive – Play – Leave

### City of Sydney Basketball Association (CSBA)

#### Biosafety Plan for External Venues:

Your safety and wellbeing are our highest priority.

This plan is underpinned by Federal and State Government Coronavirus (Covid-19) guidelines and is created to ensure the CSBA reduces person-to-person transmission of Covid-19.

**Symptoms:** If you are experiencing fever, sore/scratchy throat, shortness of breath, loss of taste or smell please do not come to any CSBA run program and the NSW government recommend that you self-isolate and get a Covid-19 test immediately. If you are experiencing any other flu like symptoms, please do not come to any CSBA run activity until you have no symptoms.

**Self-Isolate:** If you have returned from overseas or been in Victoria within the last 14 days you are required to self-isolate: See here for details: <https://bit.ly/2WYha5s>

The NSW government have identified some 'high risk' venues throughout NSW. If you have visited any of these venues at specific times you may be required to self-isolate. These venues are listed here: <https://bit.ly/2WYha5s> Please do not visit Comets Stadium if you fit this criteria.

**Masks:** In line with NSW Government advice, CSBA recommend that all people attending any CSBA competition or program wear a mask. A mask will be provided for game day staff and all other visitors will be required to supply their own mask. Game day staff can ask the court supervisor for a mask. People actively involved in games are not required to wear a mask during the game. See here for government advice: <https://bit.ly/30rj3tz>

**Spectators:** Currently only participants including players, coaches, manager and CSBA officials are permitted in the stadium. 1 Adult per participant is allowed for CSBA Learn to Play programs.

#### Before the activity:

- Everyone to sign an attendance register or sign in on scoresheet for the game.
- Learn to play programs: Take Roll Call

- Sanitise all basketballs upon entry
- Representative Training: Keep attendance records for each session and have on hand if needed.
- Players to wear playing shoes to the session (no change of shoes permitted inside the stadium).
- Uniform sharing is not permitted.
- CSBA reserves the right to check participants' body temperatures before entering the stadium. Anyone displaying an elevated body temperature will not be permitted to enter the stadium.
- Please keep a social distance of more than 1.5 meters with other people when not playing.
- All players must bring enough water for the whole session. Water fountain may not be available.

**During the Activity:**

- Game ball to be sanitized before the game and during time outs.
- Refer to checklist if someone is showing Covid-19 symptoms.
- Please always maintain a social distance of 1.5 meters when you are not playing basketball.
- Hi 5s and hand shaking are not permitted.
- In the event of an injury or if you are feeling unwell, please talk to a staff member or coach immediately.

**After the Activity:**

- Participants to sanitise balls, collect belongings and exit in a timely manner through the rear exit.
- A coach or adult is to remain with young people under the age of 18 until everyone is collected by a responsible adult.
- Continue to maintain a social distance of at least 1.5 meters when departing

This plan may be updated accordingly as more information becomes available.
